Akash Das

Inventory & Operations Specialist turned AI-Automation Builder

Jamtara, Jharkhand, India · aakashdas007@gmail.com · github.com/Aakashpro50

5+ years running high-volume operations at Coal India (BCCL) with 98%+ audit accuracy — now building AI tools, automation apps, and dashboards that solve the same class of problems at scale. Recently completed hands-on AI agent-building and workflow automation training (Claude & AI Mastermind, Outskill, September 2026).

EXPERIENCE

Operations Assistant, Coal India Limited (BCCL)

Sep 2020 – Oct 2025 · 5 yrs 2 mos

- Managed end-to-end inventory records for mining equipment, maintaining 98%+ accuracy across all audits
- Reduced material shortfalls by 30% through proactive stock monitoring and procurement coordination
- Zero safety incidents across entire tenure
